When you're ready to travel again, we're here to support you. Your safety, as well as the safety of our employees and partners, has always been our top priority, which is why new physical distancing and cleaning measures have been put in place on all of our tours. Our new Cruising with Confidence policy features new health and safety procedures from the moment you arrive to the moment you leave, without taking away from having the time of your life. The policy will evolve as time goes on and as we continue to monitor local public health recommendations, but what won't change is our commitment to keeping you safe as you explore our big, beautiful world.

**SIZE MATTERS** — With Avalon, big things come in small packages. With fewer than 150 guests per cruise, you can rest assured that every inch of your ship is attended to with our famous attention to detail, including enhanced onboard protocols to help ensure a safe and healthy voyage for all. The lower guest count combined with our spacious ship design means you'll always find extra room to make yourself comfortable — in your stateroom and around the ship.

**COMMITMENT TO THE CLEANEST SHIPS** — We've instituted enhanced cleaning procedures throughout each ship in our Suite fleet, with steps that go above-and-beyond Avalon's

already strict procedures. These include deep disinfection of each stateroom between cruises as well as dining areas between each meal service and the inspection and disinfection of all goods prior to loading on the ship.

**FRESH AIR, INSIDE AND OUT** — In addition to our unique Open-Air Balcony™ stateroom design, promising both fresh air and wide-open perspectives, the air in our ships is not circulated between staterooms; only within an individual stateroom and mixed with clean, fresh, outside air.

**A CREW THAT STANDS BY YOU** — With a guest to crew ratio of 3:1, our attention is always on guest comfort, health and safety. And we've taken extra measures to ensure a healthy crew, including additional training, medical certificates required prior to start the season, daily temperature checks, regular crew health screenings and social distancing in crew living quarters.

**CAREFREE CONFIDENCE** — The world has changed, but what remains certain is our commitment to your peace-of-mind while traveling. Not only have we enhanced our on-trip health and safety protocols with our Avalon Assurance program, we are also offering you risk-free, hassle-free and strings-free bookings with a 2021 Peace of Mind Travel Plan.
